## 7.1.11\_SCMC\_National Festivals Report\_2015-2016

# 7.1.11 Institution celebrates / organizes national and international commemorative days, events and festivals

### Report 2015-16

There are several festivals celebrated in India, and all these festivals get celebrated with full enthusiasm and joy. India is a country of diversity and people celebrate various festivals according to the way it gets celebrated in their community and region.

The national festivals are the festivals which get celebrated with the same joy and happiness throughout the country. People get so crazy about these festivals that they forget all their sadness and sorrows and spend lots of money to celebrate the festival fantastically. If we see an example of Independence Day, it gets celebrated by flying kites, and people spend lots of money on buying kites and threads and enjoy the festival.

Here at SCMC to inculcate cultural sense among students we have celebrated Diwali, World Braille Day by Vocal Performance of Sushree Joshi. We have also celebrated Vaivaidhya on National Son's and Daughter's Day and Rashtriya Yuva diwas in the academic year 2015-16

Celebration and organization of national day, events and festivals fulfil us with cultural sensibility which bring along a spirit of love and devotion for the country also National Festival strengthens the social relations and communications which leads to unity among people and also bring us more closely to our nation which is helpful in promoting the national harmony.
