7.1.1 Measures initiated by the Institution for the promotion of gender equity.

Report 2017-18

Why We Need Gender Sensitization On University Campuses? Is a question we ask ourselves when we focus on issues pertaining to gender sensitivity, The answer is that it is a basic requirement to understand the sensitive needs of a particular gender.

The need for this sensitivity has been felt and realised through times immemorial and in almost all kinds of human existence, across the globe. It helps us to examine our personal attitudes and beliefs and question the 'realities' that we thought we know Educational spaces instil thought and make one have a perception that they believe, this can be done on campus through various activities like debates, discussions, seminars, theatrical performances and other forms of arts.

SCMC has taken an initiative to understand the seriousness of this and tried to inculcate this in the curriculum to make an effort to Sensitise not just students, but also the staff members with Workshop focusing on the issue of gender sensitisation.

This Academic Year SCMC students have undergone two Guest Session conducted by Ms.Kiran Moghe and Mr.Bindumadhav Khire, The focus of Ms.Moghe's session was Inequalities in gender, Discrimination and Biases, while Mr.Khire focuses on the rights of LGBTQ community, Their struggle and issues they face in everyday scenarios.

THANK YOU FOR VISITING AND IMPARTING KNOWLEDGE

AT

SYMBIOSIS CENTRE FOR MEDIA AND COMMUNICATION

We would appreciate your feedback so we can learn from it.

• INTERACTION WITH STUDENTS:

I found the students bright, informed and responsive to the issues raised during my talk.

• OVERALL EXPERIENCE:

Very positive; I enjoyed the session and it was as usual a learning experience to see with younger students.

• PROBLEMS FACED:

It was a session on gender, and I found that in the first batch almost none of the drops responded.

• ANY SUGGESTIONS:

We could coordinate to schedule the session earlier in the semester.

Thank you, once again.

LGBT Introduction and Issues

Session by- Bindumadhav Khire and Kiran Moghe

Lesbian, gay, bisexual and transgender (LGBT) people in India may face legal and social difficulties not experienced by non-LGBT persons. The country has repealed its colonial-era laws that directly discriminated against gay sex and transgender identification, but many legal protections have not been provided for including anti-discrimination laws and same-sex marriage. Khire engaged in an active Q & A session with students and went on to discuss the history of LGBTQ struggle in India, The session concluded with a video that portrayed the LGBTQ struggle and brought to light some heart warming real life stories from a community that is fighting its own battle in every corner of the world.
